Although we would love it if all our students signed up for recital please remember recital participation is optional and we will hold non-recital classes for those who do not wish to participate.

Registration & Liability Forms can be picked up at the front desk or downloaded from the Fusion website.

Registration

Registration is required for students ages 15 years & under for monthly discounts, series & discounted single class rate.

- ***Who is required to pay registration?*** – An annual registration fee of \$36.00 is required to enroll in all children and teen classes and receive the monthly discounts. This fee WILL NOT be prorated as in previous years, and will be due in full on the day you register your child. Registrations are good for one year.

Adults are not required to pay the registration fee, although it **IS** required in order to purchase the discounted single per-class rate. Please refer to our pricing sheet for details.

Everyone (child, teen, and adult) is required to complete a new registration form for the fall so we may update our records!

- ***What is the cost of registration?*** The registration fee is \$36.00 for the first person and \$24.00 for each additional family member.

- ***When do I register?*** – We encourage early registration, as classes tend to fill up quickly. For your convenience, we hold an Open House for re-registration generally the last week of August. Although there is no specific deadline to enroll (our classes are ongoing), it is a good idea to register and pay monthly tuition early to reserve your child's spot in a class.

- ***How do I register?*** – Review the September/fall schedule and with level in mind, and indicate which classes you would like to register for. (Please note that all students' levels will be evaluated and therefore class placement may change.) Please fill out the registration form completely and attach your registration and tuition payment. Feel free to register in person, or by mail. You may also download a registration form on our brand new website: **fusiondancestudio.com**

- ***What if I do not start classes until after the 8th of the month?*** Registrations are due on the day of enrollment and are good for a full year, regardless of date. If you start classes after the first week of the month you may pay the monthly tuition and make-up missed classes per our studio policy, or you may pay by the class.

- ***Recital registration:*** This year we are starting our recital registration in October for our 2009 Recital date June 12th, 13th, & 14th. All registrations must be in by the end of the 2008 fall season. Although recital is optional we would like to see all our students sign-up but for those that do not we will have non-recital classes for you to participate in for some of our classes.

***Special:* if you register by November 30th we will give you \$15.00 off the registration. Registration forms will be available to pick up and download in early November.**

- ***High School dance team registration:*** We offer discounts to students who is on a High School dance team, all we need is a list of team members from your dance team director to receive the discount. The registration fee is \$20.00 for any student 15 years or younger to receive a \$12.00 discounted per class rate. (Savings \$16.00 off registration and \$5.00 off per class.)
